Costco Credit Card Reward Certificate FAQs

If I receive my credit card reward certificate via email or access it via the mobile app, do I need to print it out in order to redeem it?

No, you do not need to print your certificate in order to redeem it. If redeeming via the mobile app, simply present the certificate on your mobile device at any U.S. Costco warehouse, including Puerto Rico, when you are ready to redeem. If redeeming via email, be sure to fully download the email before attempting to redeem, or save a screenshot to your phone to ensure the certificate barcode is accessible for scanning. You can also print out your certificate to redeem, if preferred.

How can I use my credit card reward certificate?

Credit card reward certificates may be redeemed for merchandise or cash back at any U.S. Costco warehouse, including Puerto Rico. Requests to redeem the certificate for cash may be fulfilled in an alternative form (e.g., a check or electronic transfer) at the Costco warehouse's discretion. Please note that the certificates cannot be redeemed at [Costco.com](https://www.costco.com), Costco Travel, or on the Costco Mobile® App and cannot be used as payment on your Costco Anywhere Visa® Card account.

What if I don't use my entire credit card reward certificate on my purchase?

Should you choose to redeem only a portion of the certificate for merchandise, you will receive the remaining balance in cash at the Costco warehouse register upon checkout.

When does the credit card reward certificate expire?

Your credit card reward certificate from your Costco Anywhere Visa Card expires on December 31st of the year of issuance. The certificate has no value if not redeemed in person at any U.S. Costco warehouse, including Puerto Rico, before the expiration date.
